

Find your fund

Answer 4 quick questions and we'll match you to a fund.

There are no wrong answers. Pick what feels true for you.

What's your main goal?

This sets how much you want growth versus keeping your money safe.

Protect my money

Balanced growth

Maximum growth

How long do you plan to invest?

A longer time invested can ride out short term dips, so it allows a bit more risk.

Under 2 years

2 to 5 years

5+ years

If the market dropped 30%, what would you do?

How do you feel about crypto?
